Observations

- **15-credit Modules**
  - Online/blended & micro-credentials
  - No interdependencies and can be offered as independent (regular/block delivered) 1-module micro-credentials. Assessment, delivery mode, and contact times have to be integral components of all module descriptors.
- **30-credit Research Project**
  - Created by DTSL & ICI with HEIs
- **Delivery via Federated Moodle infrastructure (Moodle instances residing at local sites granting access to students).**
